

Skiing lesson at the Snowdome for year 7 students

Dear Parents,

I have organised the first 'Learn to Ski lesson' at the Tamworth Snowdome for any year 7 students who would like an introduction into skiing. These lessons will take place in November at the Tamworth Snowdome and will allow your son an opportunity to try a new sport at school.

We shall be leaving school at 9am and will travel by school minibus for a 4 hour lesson on the snow. We should be back to school for 5.30pm depending upon the M6 traffic.

The cost of the full day skiing day lesson is £45. I regret that these lessons are expensive but their popularity and low student, instructor ratio increases the cost.

Skiing is one of the easier winter sport to learn. If your son is fit, within 4 hours he should be whizzing down the Snowdome slope once mastering the snowplough turn.

The ski lessons have been arranged the week after half term in November. We have made bookings to take 3 groups (12 places in each) on 3 different days.

If you wish your son to take this lesson, please fill out and return the medical/consent form along with cash or cheque (made payable to Kings Norton Boys School) as soon as possible to Mr Julian via the school office. Please put payment in an envelope marked 'Year 7 Ski Lesson' before Friday 21st September.

Places will be allocated on a first come basis so please return the form as soon as possible to avoid disappointment. I will confirm the date and group list along with suggested clothes to be worn and refreshments closer to the time.

Thanks for your support.

Mr B Julian
