

December 2019

Dear Parent/Carer

Delivery of Christmas Hampers

This year we would like to establish a new tradition to celebrate the meaning of the Christmas period. We are challenging each form group to work together, bringing in donations for their form Christmas hamper. We then intend to gift this hamper to a member(s) of our community.

To properly establish this tradition, form tutors will work with their boys to ensure that their hampers are carefully designed, no one wants a hamper containing 30 cans of beans! This design process will begin immediately. During the last week of term, we intend to organise a non-school uniform day. Rather than contributing £1, the boys will bring in their chosen contribution to the hamper.

On the last day of term, 20th December, we will be delivering the hampers in the morning to our chosen recipients before we finish for the Christmas holidays at 12.10pm. A letter of consent for those involved delivering these will be organised once the gift givers have been selected.

If you are aware of a member of our community who would appreciate a KNBS hamper this Christmas, please let us know via the school email: enquiry@knbs.co.uk. FAO: Christmas Hampers, providing their name, address and a brief reason why they deserve a hamper.

Many thanks again for your support in helping us establish this new and worthy tradition.

Yours faithfully

Mr Butcher
Deputy Headteacher
