Monday 27th January 2020

Dear Parents/Guardian,

I would like to thank you for your continued support for both the school and your son as we work towards maximising his success. We have now completed a huge proportion of our Year 10 teaching time and as a year group we continue to perform very well, your role in that success is not underestimated by us here at KNBS.

I attach the parental feedback from our recent parents' evening and thank all those who completed the questionnaires and those who also left comments. The feedback is overwhelmingly positive; however, we are not complacent and are determined in or continued strive for improvement. Therefore, please do not hesitate to contact us if you have any queries, require information or want to bring something to our attention. In addition to the phone lines parents often find email to be an effective way of communicating. (Emails can be sent to enquiry@knbs.co.uk – FAO the teacher who you wish it to be forwarded to).

As you will be aware the PPEs (Pre-Public Examinations) for Year 10 are weeks commencing Monday 15th June and Monday 22nd June 2020. We will be publishing some useful information with your sons results that should help in our continued quest for success.

Your sincerely
