

Assessment Window Week 3 - Normal Year 11 Timetable is now suspended. Students will only need to attend Assessments and Preparation sessions that they have left. If Parents give permission students do not need to stay in school between sessions. If Parents prefer for their son to stay in school, or students wish to remain in school in between preparation sessions or assessments, a staffed work room is available. Any session that is for all students has shaded Yellow, for ease of use. Student personal assessment timetables will show their remaining assessments.

GENERAL NOTES
 Students will only be allowed to sign out if they have handed in a signed authorisation from parents or an electronic submission from parents
 All paper and electronic authorisation will be confirmed by school via a confirmation text
 Signing in and out: Students with parental authorisation must sign in and out of school, except for the beginning (before assessments) and end (after period 5 or 6) of the day
