

April 2021

Dear Parent/ Carer

Welcome Letter

It is an absolute pleasure to hear that your son has accepted a place here at King's Norton Boys' School, and I would like to take this opportunity to welcome you and your family to our school community. As the Head of Year 7 in September 2021, I look forward to helping your son to have a smooth transition to the next stage of their education.

We understand that starting secondary school can be very exciting, yet rather daunting experience for many students and parents alike. We also realise that you and your son may also be feeling a bit more anxious at the moment due to the COVID-19 pandemic and the disruption it has caused over the past year. Our staff completely understand this, and we are all here to fully support you and your son. Over the next couple of months, we will be working closely with the primary schools to try to make the transition to King's Norton Boys' School a safe, positive, and exciting one.

Many families will have a lot of the same questions and concerns surrounding the transition process and we are committed to working with you to address any issues. The school website has a wealth of important and useful information, so please take the opportunity to look around our bespoke Transition Zone. This is a portal for everything you need to support your son in the coming months.

We look forward to getting to know you and your son in the coming months and ultimately welcoming him when he joins our KNBS community in September.

Yours faithfully

Miss Bishop
Head of Year 7
